SWEET TIMES TOGETHER

At the heart of everyday special moments, holidays and family gatherings are the sweet things that bring us together. We share these moments to connect and celebrate in a meaningful way. More often than not, desserts and sweet treats make the moment sweeter.

It takes a lot to create a memory, a little bit of art, fantasy and daydreams. Eggs, flour, rich chocolate and the rest of course, but you're the secret ingredient—the inspiration to create something divine to satisfy every sweet tooth from decadently rich and sublimely to satisfying creamy, cool ice cream cakes. Create your specialties with ease using Rich's portfolio of mixes, cake layers and toppings or plate up ready-to-serve sensations like ice cream cakes, stuffed cookies, brownies, parfaits, cakes, tortes, cheesecakes. We have the wholesale solutions you need – the only difficulty is choosing.
